## About CRLC

The Calgary Rock and Lapidary Club is a non-profit organization interested in all aspects of the earth sciences including lapidary, tumbling, carving, scrimshaw, faceting, jewelry making, collecting, gems, minerals, fossils, crystals, geology, paleontology, gemology, and more. Plus classes and social events. Join today!

This show is a fundraiser for the operation of our club and workshop. Visit the Club Membership booth or talk to a volunteer for more information.
